Dear Cathy, Martha, Caroline, Steve & Staff:

Congratulations are in order on your recent selection by Governor Perdue for Georgia Tourism Product Development Award. It is certainly a tremendous honor for you and all Granul County. I will say however I am not surprised at all!

Following our recent wedding reception held for my daughter, you deserve the highest marks. We are most appreciative of the hard work. We have heard nothing but compliments on the food, the hospitality, and the service. Please let your staff know they did an outstanding job in making our wedding a wonderful occasion. Our out-of-town guests really enjoyed the property and amenities.

Should you ever need a reference or recommendation please call upon the Rogers family. We were most happy with every facet of our event held at I Shot Lee.

Sincerely
Bill
